

Name of Student Sithuliso Mondli Zulu

Student number 21944416

Company Name Dut AppFactory

UMLAZI KWAZULU-NATAL

PO Box 12363 Jacobs 4026 Durban

Tel: 031 907 7111

This is a report for the week stating 23 August 2023 and ending on the 25 August 2023

Date / Day	Description of the tasks done and technologies used
21 August 2023	Populating select options in clock project
22 August 2023	Debugging errors
23 August 2023	Populating select options in clock project
24 August 2023	Populating select options in clock project
25 August 2023	Populating select options in clock project, recording YouTube videos for the channel

Explain what you learnt this week and outline technical challenges that you faced during the week

Technical

- Learnt more about system testing, and populating json data into telerik reporting

Non-technical

- How to think through solving each problem statement at hand and breaking it down to small piece of data to process step by step, coding in a limited time and try to come up with good code and how to write clean and readable code

Mentor Name: Nikhil Ramdav
